

PATENT APPLICATION
042390.P11557XRemarks

Reconsideration of this application is requested. By this amendment, claims 1, 30, 35, and 42 have been amended. Accordingly, claims 1, 5, 6, and claims 1, 30, 35, and 42 remain in the Application.

Interview Summary

Anthony M. Martinez and Examiner Rao had a telephone interview on May 4, 2004 to discuss possible amendments to the claims. Examiner Rao initiated the interview by calling Mr. Martinez and discussed options for moving the prosecution forward. Mr. Martinez thanks Examiner Rao for discussing the Application.

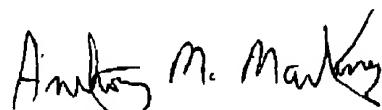

Examiner Rao suggested that claim 1 could be amended to include a thickness for the first metal layer and noted a thickness was disclosed on page 9, lines 14-16, of the Application. Further, Examiner Rao suggested that claims 30, 35, and 42 could be amended to include a thickness for the ferroelectric layer and noted a thickness was disclosed on page 14 of the Application. The claims have been amended to include the limitations suggested by Examiner Rao.
